TEACHERS AGAINST GANGS

TAG - The learning center for teachers, parents, and concerned citizens

http://www.teachersagainstgangs.com/

TEACHERS AGAINST GANGS (TAG) **is an interactive website available to all parents, teachers, school resource and other officers, youth counselors and concerned citizens who have questions or something to offer in the way of helping others to cope with the gang problem. TAG also provides members with information on how to identify gangs in schools and communities, as well as, programs to help assist teens.**

Gang experts from law enforcement, counseling and faith programs are available to advise members Teachers Against Gangs is a member participation web site. We rely heavily on the members to share gang related information. The more active participation we have, the more we all can benefit. Members are encouraged to post videos and photos related to gang activity. **A verifiable address is required for membership approval.**

STUDENTS AGAINST GANGS

SAG - A safe learning forum where students can learn about how to identify gang activity at school, discuss gang problems with criminal justice professionals, counselors and peers.

http://www.studentsagainstgangs.com/

STUDENTS AGAINST GANGS (SAG) **is for students age 13+ to discuss gang issues that are occurring in their home, school, church or community and to learn about gang indicators.**

Adult membership is restricted to professionals trained assist students with questions and concerns, or are ready to assist any student who is looking to get out of a gang. Only adult members who are qualified to assist students are approved as members on SAG. ***It is recommended that all students use an alias name when setting up their account.*** **A verifiable email address is required for membership approval.**
