Any provisions in the attached agreement which may be inconsistent with the following provisions shall be ineffective to the extent of any such inconsistency.

Non-Discrimination – Pursuant to IC 22-9-1-10, Contractor and its subcontractors, if any, shall not discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of race, color, religion, sex, disability, national origin or ancestry. Breach of the covenant may be regarded as a material breach of this Agreement.

Default - If any legal action or other proceeding is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any of the provisions of this Agreement, the successful or prevailing party or parties shall be entitled to recover reasonable attorney fees and other costs incurred in that action or proceeding, in addition to any other relief to which it may be entitled.

Indemnification - Contractor shall indemnify and hold County, and its agents, officers and employees from and against any and all losses, claims, demands, judgments, costs, and expenses arising out the performance of this Agreement. County shall not provide such indemnification to Contractor. Force Majeure - In the event that any party is unable to perform any of its obligations under this Agreement or to enjoy any of its benefits because of natural disaster, actions or decrees of governmental bodies or communication line failure not the fault of the affected party (hereinafter

referred to as a “Force Majeure Event”), the party who has been so affected shall immediately give notice to other parties and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Agreement shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of such notice of the Force Majeure Event, the party whose ability to perform has not been so affected may be given written notice to terminate this Agreement.

E-Verify Employment Eligibility Verification - In accordance with IC 22-5-1.7, if Contractor has any employees or subcontractors, and the E-Verify program as defined in IC 22-5-1.7-3 is in existence, **Contractor** shall enroll in and verify the work eligibility status for all of Contractor’s newly hired employees through the E-Verify program. Contractor shall not knowingly employ or contract with an unauthorized alien, nor shall Contractor retain an employee or contract with a person that **Contractor** subsequently learns is an unauthorized alien.

Contractor agrees to maintain this certification throughout the duration of the term of each subcontract.

County may terminate the contract immediately if Contractor fails to cure a breach of this provision no later than thirty (30) days after being notified thereof by County or another state agency or political subdivision. In accordance with IC 22-5-1.7, any challenge by Contractor to a termination pursuant to this provision must be made in Tippecanoe County Superior or Circuit Court not later than twenty (20) days after Contractor receives notice of such termination.

Contract Reporting Requirements - Contractor understands and acknowledges that the County is a "public agency" within the meaning of Indiana's Access to Public Records Act and, as such, the agreement or other contract between the parties may be subject to disclosure as a public record under IC 5-14-3.

Certification of Eligibility under IC 22-2-6-2 - Contractor acknowledges that the Memorandum of Understanding contemplates certain wage deductions made by County from the wages of County’s Employees with remittance of said deductions to Contractor. - (2) paid by the employer;

IC 22-2-6-4 Overpayment by employer

Sec. 4. (a) If an employer has overpaid an employee, the employer may deduct from the wages of the employee the amount of the overpayment. A deduction by an employer for reimbursement of an overpayment of wages previously made to an employee is not a fine under IC 22-2-8-1 or an assignment of wages under section 2 of this chapter. An employer must give an employee two (2) weeks notice before the employer may deduct, under this section, any overpayment of wages from the employee's wages.

(b) An employer may not deduct from an employee's wages an amount in dispute under IC 22-2-9-3.

(c) The amount of a wage deduction made by an employer under subsection (a) is limited to the following:

(1) Except as provided in subdivision (2), the maximum part of the aggregate disposable earnings of an employee for any work week that is subjected to an employer deduction for overpayment may not exceed the lesser of:

(A) twenty-five percent (25%) of the employee's disposable earnings for that week; or

(B) the amount by which the employee's disposable earnings for that week exceed thirty (30) times the federal minimum hourly wage prescribed by 29 U.S.C. 206(a)(1) in effect at the time the earnings are payable.

In the case of earnings for a pay period other than a week, the earnings must be computed upon a multiple of the federal minimum hourly wage equivalent to thirty (30) times the federal minimum hourly wage as prescribed in this section.

(2) If a single gross wage overpayment is equal to ten (10) times the employee's gross wages earned due to an inadvertent misplacement of a decimal point, the entire overpayment may be deducted immediately.

As added by P.L.215-1995, SEC.1.

**Data Sharing Agreement
Between the
Indiana State Department of Health and
Tippecanoe County Coroner's Office**

This Data Sharing Agreement ("Agreement") is entered into by and between the **Indiana State Department of Health** ("ISDH") and the **Tippecanoe County Coroner's Office** ("Coroner's Office"). In consideration of the mutual understandings and covenants set forth herein, the parties agree as follows:

I. PURPOSE

Pursuant to the CDC Grant to collect data for the National Violent Death Reporting System (NVDRS), ISDH will establish the Indiana Violent Death Reporting System (INVDRS) to collect, maintain, and disseminate complete and comprehensive surveillance data on violent deaths that occur in Indiana.

The ISDH Fatality Review and Prevention Division (FRP), pursuant to IC 16-49-4, is responsible for, among other things, (1) identifying trends and similarities concerning injuries and fatalities in children in Indiana and (2) creating strategies and making recommendations for the prevention of injuries and death of children.

ISDH and Coroner's Office enter into this Agreement in order to share data to be received and maintained at the ISDH, to ensure the integrity, security, and confidentiality of the data, and to permit appropriate disclosure and use of such data as permitted by law.

This Agreement addresses the conditions under which ISDH will use and disclose, and the Coroner's Office will submit, the following data: information collected on violent deaths as reported using the *Indiana Violent Death Reporting System – Coroner Reporting Form* (Form).

II. TERM

This Agreement is effective **3/20/20** through **12/31/20**.

III. CONDITIONS

- A. The Form will be used as part of the INVDRS to establish it as a surveillance system to collect high quality and comprehensive information on violent death. The ISDH will use data from the INVDRS to translate research findings into prevention strategies by disseminating useful, actionable data to guide, support, and improve local, state, and national violence prevention policies, programs, and practices.
- B. ISDH will submit data to the CDC NVDRS database in aggregate form only, with no identifying information from INVDRS.
- C. The FRP Division will use the data provided on the Form to abstract case information, review it for trends and similarities in injuries and fatalities in children and to use the analysis to inform prevention.

D. Notwithstanding the foregoing agreed upon uses of the Form, ISDH may not disclose or further distribute such data unless required by law.

IV. DATA FLOW

A. Coroner's Office will transmit the Form securely and in a confidential manner to the ISDH, **electronically through Certified Mail via Secure E-mail, Syncplicity or by RightFax**. The Form data, once uploaded into the INVDRS system, will be securely stored on State of Indiana servers and accessible only to specific employees within the Division of Trauma and Injury Prevention and the FRP at ISDH.

B. The ISDH will use the Form data:

- a. As part of a comprehensive system for INVDRS and will report aggregate data to the NVDRS.
- b. To disseminate violence prevention information from INVDRS to violence prevention partners and the public.
- c. To disseminate child injury and death prevention information to prevention partners and the public.

V. CONFIDENTIALITY

The parties mutually agree that ISDH retains all ownership rights to the Form referred to in this Agreement, and that Coroner's Office does not obtain any right, title, or interest in any of the Forms furnished to ISDH.

To the extent that Coroner's Office records are confidential, the parties agree that ISDH will maintain the confidentiality of information received pursuant to Indiana Code § 5-14-3-6.5.

Coroner's Office authorizes ISDH to disclose, release, or otherwise grant access to the data covered by this Agreement to NVDRS, violence prevention partners, and the public, in aggregate form.

Coroner's Office authorizes ISDH to disclose, release, or otherwise grant access to the data covered by this Agreement to the FRP Division at ISDH, child injury and death prevention partners, and the public, in aggregate form.

ISDH represents further that, except as specified in this Agreement or except as Coroner's Office shall authorize by written amendment, ISDH shall not disclose, release, or otherwise grant access to the data covered by this Agreement to any third party for any purpose unless required by law. ISDH agrees that access to the data covered by this Agreement shall be limited to those individuals necessary to achieve the purpose stated in this Agreement.

VI. AMENDMENTS

No alteration or variation of the terms of this Agreement shall be valid unless made in writing and signed by the parties hereto. No oral understanding or agreement not incorporated herein shall be binding on any of the parties hereto.

VII. TERMINATION

ISDH or Coroner's Office may terminate this Agreement at any time for any reason, including failure to comply with any condition of this Agreement, upon thirty (30) days advanced written notice.

VIII. NOTICE TO PARTIES
