Re: Year 2022 Fee Schedule

Dear Members of the Board of County Commissioners:

In accordance with past practices completed by VS Engineering, Inc. (VS), we are submitting this annual On-Call agreement for professional services. These services will apply to small, miscellaneous engineering projects where a formal contract for services is not appropriate.

VS will be assigned projects on an on-call basis. VS shall submit Task Orders for approval containing a short outline of services and a budgeted not-to-exceed fee. Task Orders will be approved by the Highway Engineer and then executed by both parties.

Compensation for professional services on Task Order projects will be based upon an hourly rate schedule using VS's standard rates calculated with our INDOT audited overhead of 134.34% plus a 15% profit. All time will be billed on a time and expense basis for actual time spent. A complete rate table is attached. Expenses will be billed at Cost plus 10%. Outside Pass-through Services will be billed at Cost plus 15%.

VS shall comply with all requirements of the Americans with Disabilities Act and Title VI, as well as all applicable federal, state and local laws, rules, regulations and ordinances.

VS shall maintain a minimum \$1,000,000.00 in both Commercial General Liability and Automobile Liability Insurance, as well as a minimum \$1,000,000.00 in Professional Liability Insurance Coverage.

The attached Fee Schedule shall be effective upon County approval and shall apply to all work performed from January 1, 2022 through December 31, 2022. Ongoing work performed under previous years' On-Call agreements shall update to the 2022 Fee Schedule starting January 1, 2022.

We appreciate the opportunity and look forward to continuing to serve Tippecanoe County. Please contact us if you should have any questions or require additional information.

Respectfully,

A handwritten signature in black ink that reads 'Michael W. Peterson'.
