APC staff Kathy Lind presented the zoning map, plat, and aerial photos, and she noted the petitioner's property is located on the east side of Promenade Parkway just south of Veterans Memorial Parkway. It is zoned GB (General Business). Wal-Mart is just to the east; and Foxfire Apartments are further to the west. She stated they are basically dividing the bottom portion of the existing strip center, so it could be sold separately or get a building permit for another building. The setbacks shown are correct; no buffering is required, and city utilities serve the site. There is an existing driveway off Promenade Parkway for both Lots 1B and 1A. There are three conditions, and staff is recommending conditional primary approval.

Jackson Bogan asked for any questions from the commission. There were none.
