

DIRECTIVE CONCERNING EMERGENCY STAY HOME PAY

This directive is being issued pursuant to Resolution 2020-10-CM concerning emergency stay home pay and updates and supersedes the Declaration Concerning Emergency Stay Home Pay dated March 24, 2020.

Resolution 2020-10-CM empowered the President of the Board of Commissioners to issue an emergency declaration requiring some or all County employees to refrain from coming to their work stations. On March 21, 2020, I issued a declaration of public health emergency determining that the COVID-19 pandemic presented a local disaster emergency within the meaning of IC 10-14-3-29. On March 23, 2020, the Governor of the State of Indiana issued Executive Order 20-08 concerning the COVID-19 public health emergency directing Hoosiers to stay at home except where leaving home was for essential activities. On May 1, 2020, the Governor updated the stay-at-home order with Executive Order 20-26 which began easing the stay at home directives.

Pursuant to the provisions of the above referenced authorities, I am issuing this updated directive concerning emergency stay home pay. Beginning with the Monday, May 18, 2020 work day, employees of Tippecanoe County shall no longer be eligible for emergency stay home pay. Beginning May 18, 2020, to receive compensation, employees shall, at the direction and discretion of their supervising Department Heads and supervising Elected Officials, work in person from their normal work stations, work remotely, or use some other form of paid time off such as vacation, sick leave, or the COVID-19 leave benefit (*See Revised Declaration Concerning COVID-19 Leave Benefit, approved April 20, 2020 and effective April 1, 2020*).

Dated this 14 day of May, 2020.
