### I. PLEDGE OF ALLEGIANCE

President Metzger called the meeting to order and led the Pledge of Allegiance.

### II. AUDITOR'S FINANCIAL REPORT – Bob Plantenga

The 2019 financial statement shows a General Fund beginning cash balance of \$10,224,887.37. incorporating the projected miscellaneous revenue, property taxes and deductions for circuit breakers leaves the total funds available of \$58,639,593.37. When deducting encumbrances, the 2019 Budget and minimum balances established by Council the beginning net balance is \$1,876,533.37. Additional appropriations last month bring the balance available for appropriations to \$1,868,315.37.

The Revenue Report shows few changes this early in the year. The County Sheriff-Misc. Receipts (fund 1410) received its 2<sup>nd</sup> and 3<sup>rd</sup> quarter payments from TSC for resource officers. The Sheriff-Inmate Housing (fund 0411) received the August-November payment from the Department of Corrections. The current General Fund Balance of 6.6% is in line with anticipated revenues for this time of the year.

The Fund Balances show the General Fund (1000) is about \$6.2 million which is less than the minimum balance and will trend down until June when it is replenished with property taxes. The Court Services (fund 2580, with over \$100 thousand balance) receives most of the current charges, with fund 2581 not active and to be combined with 2580 soon. The Debt Service Reserve fund for the Fairgrounds (fund 4632) will be held until the last construction payment so it won't change for several years. The County Self Insurance (fund 4710) again received more than it paid out by a couple hundred thousand dollars. The Fairgrounds construction fund (4818) is the bond proceeds and will decrease as construction progresses.

### III. TREASURER'S REPORT – Jennifer Weston

The February Account Balances and Interest Rates report was distributed and shows the total interest at \$226,508.91. The two highest sources of interest income are Stifel/First Empire with \$30,916.27 and Cambridge/TWM with \$53,276.42. There was consideration of investing the Fairgrounds funds elsewhere, but other interest rates were not worth moving the money. Councilmember Basham asked when the decisions are made about where the funds are invested, and the Treasurer responded that they were recently renewed for the standard 2-year period.
