**VERIFIED MOTION TO APPOINT PAUPER COUNSEL (Public Defender)
[Attach Summary of Household Income and Expenses and Order]**

Comes now the Defendant and respectfully requests the Court to grant the appointment of pauper counsel (public defender) to represent me in this pending criminal case. In support, I show that:

1. I want to be represented by an attorney but I do not believe I have sufficient income or other resources to pay.
2. Attached to this Verified Motion is a Summary of Household Income and Expenses. I understand the Court may require me to provide written documentation of my household income and expenses before this Motion may be granted.
3. I understand if the Judge determines that I qualify for appointment of pauper counsel, the Judge may also Order that I pay part or all of the costs of the pauper counsel. If ordered, this fee will be based on the Judge's determination of my ability to pay. I understand the Judge may review a finding for appointment of pauper counsel at any time during the proceedings based on a change in my financial circumstances, either for the better or for the worse.
4. I understand if my financial circumstances change for the better, I am required to notify the Court within three (3) calendar days of the change so my eligibility for appointment of pauper counsel may be reviewed by the Judge.
5. If I am released from custody in this cause on a cash bond posted on my behalf, the Court may retain the cash bond and subtract any pauper counsel (public defender) fee from this cash bond, even if the charges are later dismissed in full and even if the cash bond was posted by another person and is not my personal funds.

I swear or affirm under penalties for perjury, as specified in I.C. 35-44-2-1, the information in this Motion and in the attached Summary of Income and Expenses is true and accurate to the best of my knowledge and belief.
