PERMIT TO CONSTRUCT A **PARCELIZATION** DRIVEWAY ENTRANCE AND APPROACH

Permission is hereby granted to _____

TO CONSTRUCT A DRIVEWAY ENTRANCE AND APPROACH ON THE (NORTH, SOUTH, EAST, WEST)

Side of County Road _____ Township _____, Section _____

At the following described location: _____

To serve as access to _____

SIZE OF PIPE TO BE USED: _____
(EITHER GALVANIZED CORRUGATED STEEL OR REINFORCED CONCRETE PIPE)

OTHER CONDITIONS: _____

UNDER THE TERMS OF THIS PERMIT, THE PERMITTEE SHALL COMPLY WITH THE FOLLOWING PROVISIONS:

- (A) No entrance shall be closer than five (5) feet to adjacent property line and no approach shall be so constructed that any part of the same extends in front of property belonging to a person other than the permittee unless both property owners sign a joint application for a permit.
- (B) All drainage pipes or tile used in the construction of driveways and approaches shall be a minimum of twelve (12) inches in diameter and as much larger as the Department shall deem necessary for proper drainage, and on all new driveways and approaches, shall be furnished by the permittee. All pipe or tile and other drainage structures used shall meet the approval of the Department as to type, quality, size and length.
- (C) All driveways and approaches shall be so constructed that they shall not interfere with drainage of, or cause erosion to the street or highway. If it is proposed to construct any portion of an approach on a slope or grade greater than fifteen (15) percent, the grade or slope shall be designated on the application. If no designation of grade is shown on the application, the approach shall not be constructed on a grade greater than fifteen (15) percent.
- (D) All disturbed areas shall be fertilized and seeded or sodded to prevent erosion.
- (E) The construction of such driveways and approaches shall not interfere with any existing structure or any county highway right-of-way without specific permission in writing from the Department or other owner thereof.
- (F) Concrete headwalls or other obstacles will not be permitted under the terms of this permit.
- (G) All entrances and approaches shall be so located as to provide adequate sight distance in both directions along the highway for safe access to the highway without interfering with traffic on the highway.
- (H) No entrance or approach shall be located or constructed so as to interfere with or prevent the proper location of necessary highway signs.
- (I) The permittee shall assume responsibility for all maintenance of such approaches from the right-of-way line to the edge of the traveled roadway. If the approach or driveway is built of loose aggregate, said aggregate shall be bound with some material so as to prevent loose aggregate from being carried onto the highway pavement, or the permittee shall keep the pavement free of loose aggregate at all times.

(OVER)

- (J) No such entrance or approach shall be relocated or its dimensions altered without written permission of the Department.
- (K) On the day preceding the beginning of work under any permit for approach construction, the permittee shall secure special permission to proceed from the local Department representative in charge.
- (L) The permittee shall assume all responsibility for any injury or damage to persons or property resulting directly or indirectly from the construction of any approach or driveway.
- (M) The permittee shall remove or relocate any such entrances or approaches when requested to do so by the Department in the interest of safety to highway traffic. For the purpose of Road or Bridge construction or improvement, said driveway entrances and approaches shall be removed at any time upon the request of the Tippecanoe County Highway Department. Permits issued for driveway entrances and approaches may be rescinded at any time by the Tippecanoe County Highway Department. Driveway entrances and approaches must be complete within one (1) year after the permit is issued: otherwise, the permit will be canceled.

The right-of-way area adjacent to or between the approaches may be graded at the permittee's expense, subject to drainage requirements as determined by the Department. The permittee may plant in this area, grass, flowers, or low growing shrubs that never attain sufficient height to obstruct clear vision in any direction.

All work shall be done in accordance with the approved plans, and the latest issue of the Indiana State Highway Standard Specifications, and shall meet the approval of the Tippecanoe County Highway Department.
