CERTIFICATION

RE: USO AMENDMENT #6:

An amendment to the Unified Subdivision Ordinance regarding revisions and additions to primary approval effective periods and extensions

Dear Commissioners:

As Secretary to the Area Plan Commission of Tippecanoe County, I do hereby certify that at a public hearing held on December 19, 2012, the Area Plan Commission of Tippecanoe County voted 14 yes - 0 no on the motion to approve the enclosed amendment to the Unified Subdivision Ordinance. Therefore, the Area Plan Commission of Tippecanoe County recommends to the Tippecanoe County Commissioners that the proposed subdivision ordinance amendment be approved.

Sincerely,

Sallie Dell Fahey
Executive Director

Area Plan Commission Director Fahey said USO Amendment #6 addresses the revisions and additions to primary approval for subdivisions in regard to how long they are effective and the ability to seek extensions of the approval. The last few years, more sub-dividers have needed extensions of the five year primary approval; possibly due to the economy. It takes longer than five years to finalize a subdivision. The amendment extends the automatic approval from five years to ten years. The amendment would apply to major subdivisions, non residential minor subdivisions, and rural estate subdivisions. Residential minor subdivisions are not included because there are no public improvements and it is a fairly simple matter to get the final plat recorded within the approval period. There have not been requests for extensions of residential minor subdivisions. Sub-dividers may continue to request as many two year extensions beyond the ten year period as necessary. The decision to grant the two year extension is at the discretion of the Planning Commission. A current practice has also been added to the amendment for a lapsed approval, allowing a *belated request* of the two year extension. The Planning Commission Ordinance committee met several times and voted 14 yes, 0 no at the December meeting.

Ordinance 2013-02-CM – USO Amendment #7: An amendment to the Unified Subdivision Ordinance which would replace the final plat Mylar requirement with a digital file requirement

CERTIFICATION

RE: USO AMENDMENT #7:

An amendment to the Unified Subdivision Ordinance which would replace the final plat Mylar requirement with a digital file (pdf format) requirement

Dear Commissioners:

As Secretary to the Area Plan Commission of Tippecanoe County, I do hereby certify that at a public hearing held on December 19, 2012, the Area Plan Commission of Tippecanoe County voted 14 yes - 0 no on the motion to approve the enclosed amendment to the Unified Subdivision Ordinance. Therefore, the Area Plan Commission of Tippecanoe County recommends to the Tippecanoe County Commissioners that the proposed subdivision ordinance amendment be approved.

Sincerely,

Sallie Dell Fahey
Executive Director

Director Fahey said USO Amendment #7 moves away from the final plat Mylar requirement to PDF format. APC no longer has a Mylar machine, as most places. Paper copies are still needed for the Recorder and some other offices. Informally, developers, surveyors, and engineers have been asked for PDFs for sketch plans and preliminary plats to prepare a slide presentation. Now, it will officially extend to final plats. They are being linked to the subdivision database in order to have a thorough electronic record of every development in the future. The Ordinance Committee met several times and voted 14 yes, 0 no at the December meeting.

Auditor Weston recorded the vote for Ordinance 2013-01-CM.

The appointment of Mr. Meeks is on hold and the appointment of Mr. Piggott will be presented separately. Second by Commissioner Murtaugh; motion carried.

NOMINATION TO THE BOARD OF OPERATING COMPANY FOR THE BATTLE GROUND GOLF COURSE

Attorney Luhman said the nomination form has the name of the entity which has been established by the Lafayette Parks Foundation for the management of the new golf course. The Foundation asks that the Commissioners nominate a member of the Board of Directors of the new LLC. Mike Piggott would be the Commissioner's nomination. Commissioner Knochel had several questions regarding conflicting information about the golf course being operated for profit or as a not for profit and what the tax exempt status would be. His concern is if the property is operated as not for profit and tax exempt, it would be a loss of revenue for the county. Shane Weist said he was unable to answer those questions; they would need to be answered by board members. He will present the questions and concerns to the board members.

- Commissioner Murtaugh moved to nominate Mike Piggott to the Board of Operating Company for the Battle Ground Golf Course, second by President Byers; motion carried. Commissioner Knochel opposed the motion.

COMMISSIONER'S ASSIGNMENTS

To Various Boards, Councils, and Commissions

President Byers read the Commissioner's assignments for calendar year 2013.

- Commissioner Knochel moved to approve the Commissioner's assignments as presented, second by Commissioner Murtaugh; motion carried.

CONTRACT FOR COUNTY ATTORNEY

President Byers said the contract is with the law firm of Hoffman, Luhman & Masson. Services will be charged at the rate of \$165.00 per hour for principals of the firm, \$145.00 per hour for associates, and \$75.00 per hour for paralegals.

- Commissioner Knochel said the contract is for the same amount as the previous year and moved to approve the contract between The Board of Commissioners of Tippecanoe County and the firm of Hoffman, Luhman & Masson, PC as presented, second by Commissioner Murtaugh; motion carried.

RECORDER - Oneta Tolle

Eastern Engineering – Kip Maintenance Agreement

- Commissioner Murtaugh moved to untable the agreement, second by Commissioner Knochel.

Commissioner Knochel said Recorder Tolle was previously asked to check with the MITS regarding undertaking the printer agreement. Recorder Tolle stated she misunderstood that she was supposed to talk with MITS. Commissioner Murtaugh asked how often the printer was used, what was charged for copies, the age of the printer, and questions about the maintenance contract. Recorder Tolle said the printer is used several times a day and the charge is \$2.00. The printer was purchased in 2001 and the contract is \$175.00 per month, excluding parts. Chief Information Officer Dave Sturgeon said a maintenance contract is typically part of the purchase price for one or three years, depending on the vendor. Commissioner Murtaugh suggested purchasing a new printer versus paying \$175.00 per month, plus parts. President Byers said the contract is now month-to-month and with discussions of transferring all printer and copier contracts to the MITS department, he asked CIO Sturgeon if an extra month gave him a chance to research a new printer and contract. CIO Sturgeon said at \$1400.00 per year for the current contract, the money could be put toward a new printer. Recorder Tolle said the cost of a new printer was not in the budget but would come out of the Perpetuation Fund. The cost of

a new printer is approximately \$30,000. She is billed automatically at the end of each month under the current agreement. Attorney Luhman reviewed the contract and stated it does not specifically say it is a year contract but does say it is a monthly charge of \$174.83. The attachment provided does not state it is an annual fee. The Commissioners agreed to not renew the maintenance contract and have MITS seek a new printer.

- President Byers stated there was a motion without a second for the Kip Maintenance Agreement; motion denied.

JUVENILE ALTERNATIVES – Rebecca Humphrey
Agreement for Software Maintenance

Cary Home Executive Director Humphrey requested approval on a contract with Paperless Business Solutions. The agreement provides software maintenance which is mandated by the Department of Corrections for Community Corrections. Adult Corrections have worked with Paperless Business Solutions since 2004. The software package was purchased. The contract is for \$250.00 per month for maintenance to be paid out of the Community Correction grant monies or from Project Income for the remainder of this grant cycle. July 1, with the new grant, it will be written into the grant fund. Conversations were held with CIO Sturgeon regarding MITS building the same database; however, the Department of Corrections have a lot of changes with mandatory set dates and MITS could not respond to those demands. The information does not interface with Quest.

- Commissioner Knochel moved to approve the agreement for software maintenance as presented, second by Commissioner Murtaugh; motion carried.

GRANTS – Laurie Wilson
Permission to apply for grant

Grant Facilitator Wilson requested permission to apply for a grant for Cary Home in the amount of up to \$36,000 (with a \$4,000 match) from the Indiana Criminal Justice Institute (ICJI) for the Tippecanoe County Truancy Accountability project. It is the second year for the project.

- Commissioner Knochel moved to grant permission to apply for the Cary Home grant as presented, second by Commissioner Murtaugh; motion carried.

Grant Facilitator Wilson requested permission to apply for a grant for Probation in the amount of up to \$15,000 (with a \$2,000 match) from the ICJI for the Substance Abuse Assessment and Screening project. It is the second year for the project.

- Commissioner Knochel moved to grant permission to apply for the Probation grant as presented, second by Commissioner Murtaugh; motion carried.

Auditor Weston asked Ms. Wilson to comment on where the match comes from to which she replied it depends on when they are received and the amount. Generally it comes from the department's General Fund budget.

MOU/Contract

Grant Facilitator Wilson said she has a grant amendment for the Sheriff's department. The Tippecanoe School Corporation School Resource Officer Grant received an amendment to extend the date from March 31 to September 30, 2013, allowing more time to use the funds.

- Commissioner Knochel moved to approve the amendment to the grant as presented, second by Commissioner Murtaugh; motion carried.

ADA ASSESSMENT PROPOSAL FOR SERVICES

Commissioner Murtaugh presented a proposal for an analysis of the Courthouse for ADA compliance. It is the same service which has been completed for Cary Home and the Villas. Each County facility will require the same analysis. The contract is with RTM Consultants, Inc. from Indianapolis in the amount of \$7,200.

- Commissioner Murtaugh moved to approve the assessment proposal as presented, second by Commissioner Knochel; motion carried.

WINDOW MAINTENANCE PROPOSAL FOR FAIRGROUNDS HOUSE

President Byers said the window maintenance proposal is for the house at the Fairgrounds to reseal and recaulk. The proposal is from Best Window & Door Company.

- Commissioner Knochel moved to approve the window maintenance proposal for the Fairgrounds house in the amount of \$1,860.91 as presented, second by Commissioner Murtaugh; motion carried.

APPLICATION TO VILLA

- Commissioner Knochel moved to approve the applications to the Tippecanoe Villa for Mark R. Payton and Harold T. Boyer, second by Commissioner Murtaugh; motion carried.

UNFINISHED/NEW BUSINESS

Commissioner Knochel said he had a request from the We Care Clinic to have posting capabilities on the County website, either through Linda Horton or Shirley Mennen. Human Resources Coordinator Mennen reported that the request had been taken care of.
