PUBLIC COMMENT

County Assessor Samantha Steele requested the commissioners appoint the County Assessor to the MITS Advisory Board; I.C. With this responsibility she would like to be a voting member of the board.

Ken Bodkin – 2316 N. County Line Road – asked the commissioners about an appropriate forum, besides the Commissioners meeting where minor issues can be discussed. Mr. Bodkin is interested in speaking with commissioners about road projects, public treatment by county offices, and stimulus funding.

Commissioner Knochel suggested Mr. Bodkin contact the Commissioner's Office to arrange a meeting for such issues.

Commissioner Byers thanked the public and county employees for their support during his brief illness.
