REGION 4 WORKFORCE UPDATE – Roger Feldhaus

Mr. Feldhaus began by explaining the structure and objectives of the Indiana Workforce Development. Those objectives are to 1) grow Hoosier jobs and employment by assisting the underemployed in skills development; 2) grow Hoosier personal income; and 3) deliver premier customer service. As part of its vision, the Region IV Workforce Board will now be known as the Alliance '4' Advancement. The 2-year strategic plan will focus on policy development and guidance; substantial transitional support; technical and programmatic support; and monitoring and oversight. As one of the twelve counties comprising the region, Tippecanoe represented 22% of the total new enrollments, 12% of occupational training, and 23% of workshop participants. Unemployment in Tippecanoe for July '09 was 10.3% compared to 10.2% for the previous month and 4.9% for the

previous year. To meet the demands of this increase in customers, the Alliance is adding staff at WorkOne centers; developing new workshops; and adding programs and initiatives for youth and aging workers. Mr. Feldhaus ended the presentation by thanking the commissioners for their time and inviting them to the Alliance '4' Advancement annual dinner on November 4, 2009 in Lafayette.

SPONSORSHIP AGREEMENT – Kristen McVey

BUILDING COMMISSION – Ken Brown

Steven & Michelle Mitchell Property

4918 Sherman Street, Buck Creek - Zoning Officer Ken Brown reported today is the deadline for clean up and repair orders given by the commissioners in the August 3rd meeting, stating Mr. Mitchell has asked for a little more time. Mr. Brown presented pictures documenting progress the owner has made, showing both the improvements made and the current state of the property. He noted the entrances have been secured with deadbolts.

- Commissioner Murtaugh moved to continue the hearing until the October 19th meeting with the possibility of another 30 extension if repairs are made to the roof, second by Commissioner Knochel; motion carried. *Commissioner Byers abstained.*

Beverly Adams Property

6900 Church Street in Colburn – Mr. Brown introduced attorney Jim Gothard, representing Ms. Adams pro bono, who gave a brief history of her financial situation, the actions taken by mortgage holder Saxon Mortgage, and acknowledged there have been 5 liens placed against the property. He read a letter from Saxon dated May 2008 stating they were willing to dismiss the foreclosure action with prejudice but will not release the lien or forgive the debt in hopes a buyer may be found for the property. Saxon is willing to entertain any short sale offers. Mr. Gothard reiterated that Ms. Adams can not pay the fine imposed by the Commissioners or any costs associated with demolition of the property. He stated Bill and Winnie Fitzmaurice of 6814 Church Street in Colburn contacted him expressing an interest in purchasing the lot. If an agreement with Saxon Mortgage can be reached, the Fitzmaurice's will agree to tear down the house and make the property presentable. On the advice of Mr. Gothard, Mr. & Mrs. Fitzmaurice are seeking independent legal advice on the validity of all liens against the property. Attorney Dave Luhman clarified the \$5,000 fee previously assessed by the Commissioners is a civil fine and would only become a lien if it had to be enforced by judgment for non-payment. The Commissioners have the option to reverse the fee if they so choose. Mr. Brown reported the doors to the house are not secured and pose a safety issue.

Mrs. Fitzmaurice offered to replace the locks and place bait for vermin given the appropriate permission to enter the premise; Mr. Gothard granted permission. She addressed the commissioners, maintaining a fine added to the current liens would make the property less affordable to any interested party.

- Commissioner Murtaugh moved to suspend all action on this property until the October 5, 2009 meeting, second by Commissioner Byers; motion passed.

FIRE SPRINKLER QUOTES FOR JAIL ADDITION

- Commissioner Murtaugh moved to accept the quote from Brenneco Fire Protection in the amount of \$5,390, second by Commissioner Byers; motion passed.
