AMBULANCE BIDS

Commissioner Benson reported the County Council has not approved funding for additional ambulances for the Tippecanoe Emergency Ambulance Service. The EMS Advisory Committee has recommended to the Commissioners they lease/purchase five additional ambulances to add to the fleet. The committee intends to meet with the Council to provide further information; the committee will then make another recommendation before the bid expires. Commissioner Benson suggested delaying the award until the committee has had a chance to meet with the council. She recommended postponing it until the Commissioners September 2, 2008 regular meeting.

Public Hearing; Subdivision Variance – S-4059 LDS Subdivision (Major Preliminary Plat): A variance to waive the required half-width road improvements for the CR 450 S frontage.

Joe Bumbleberg, Ball, Eggleston, Bumbleberg, & McBride spoke on behalf of the petitioner. The variance request is to waive the required ½ width of the road improvements for CR 450 South with 350 feet of frontage on the road.

Highway Director Opal Kuhl reported CR 450 South was improved in 2007; at that time the county decided all improvements on the road were complete. If the city decides to annex the area, they are able to install curbs and utilities.
