## DIRECTIVE CONCERNING EMERGENCY STAY HOME PAY

This directive is being issued pursuant to Resolution 2020-10-CM concerning emergency stay home pay and updates and supersedes the Declaration Concerning Emergency Stay Home Pay dated March 24, 2020.

Resolution 2020-10-CM empowered the President of the Board of Commissioners to issue an emergency declaration requiring some or all County employees to refrain from coming to their work stations. On March 21, 2020, I issued a declaration of public health emergency determining that the COVID-19 pandemic presented a local disaster emergency within the meaning of IC 10-14-3-29. On March 23, 2020, the Governor of the State of Indiana issued Executive Order 20-08 concerning the COVID-19 public health emergency directing Hoosiers to stay at home except where leaving home was for essential activities. On May 1, 2020, the Governor updated the stay-at-home order with Executive Order 20-26 which began easing the stay at home directives.

Pursuant to the provisions of the above referenced authorities, I am issuing this updated directive concerning emergency stay home pay. Beginning with the Monday, May 18, 2020 work day, employees of Tippecanoe County shall no longer be eligible for emergency stay home pay. Beginning May 18, 2020, to receive compensation, employees shall, at the direction and discretion of their supervising Department Heads and supervising Elected Officials, work in person from their normal work stations, work remotely, or use some other form of paid time off such as vacation, sick leave, or the COVID-19 leave benefit (*See Revised Declaration Concerning COVID-19 Leave Benefit, approved April 20, 2020 and effective April 1, 2020*).

Dated this 14 day of May, 2020.

## LOCAL ROADS AND BRIDGES MATCHING GRANT AGREEMENT

Contract # A249-20- LG200090

This Grant Agreement (this “Grant Agreement”), entered into by and between the Indiana Department of Transportation (the “State”) and Tippecanoe County, a Local Unit, (the “Grantee”), is executed pursuant to the terms and conditions set forth herein. In consideration of those mutual undertakings and covenants, the parties agree as follows:

**1. Purpose of this Grant Agreement; Funding Source.** The purpose of this Grant Agreement is to enable the State to award a Grant of \$ 400,000.00 (the “Grant”), representing 50% of the eligible costs of the project (the “Project”) described in Attachment A of this Grant Agreement, which is incorporated fully herein. The funds shall be used exclusively in accordance with the provisions contained in this Grant Agreement and in conformance with Indiana Code § 8-23-30 establishing the authority to make this Grant, as well as any rules adopted thereunder. The funds received by the Grantee pursuant to this Grant Agreement shall be used only to implement the Project or provide the services in conformance with this Grant Agreement and for no other purpose.

### FUNDING SOURCE:

State Funds: Program Title: Local Road and Bridge Matching Grant Fund (I.C. § 8-23-30).

### 2. Representations and Warranties of the Grantee.

A. The Grantee expressly represents and warrants to the State that it is statutorily eligible to receive these Grant funds and that the information set forth in its Grant Application is true, complete and accurate. The Grantee expressly agrees to promptly repay all funds paid to it under this Grant Agreement should it be determined either that it was ineligible to receive the funds, or it made any material misrepresentation on its grant application.

B. The Grantee certifies by entering into this Grant Agreement that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Grant Agreement by any federal or state department or agency. The term “principal” for purposes of this Grant Agreement is defined as an officer, director, owner, partner, key employee or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Grantee.

C. The Grantee has committed matching funds from one of the following revenue sources in accordance with Ind. Code § 8-23-30-3: (1) any money the local unit is authorized to use for a local road or bridge project; (2) special distribution of local income tax under Ind. Code § 6-3.6-9-17; or (3) local rainy day fund under Ind. Code § 36-1-8-5.1.

D. The Grantee uses an approved transportation asset management plan on file with the State.

### 3. Implementation of and Reporting on the Project.

A. The Grantee shall implement and complete the Project in accordance with Attachment A and with the plans and specifications contained in its Grant Application, which is on file with the State and is incorporated by reference. Modification of the Project shall require prior written approval of the State.

**4. Term.** This Grant Agreement commences on the date approved by the State Budget Agency, and shall remain in effect for two (2) years. Unless otherwise provided herein, it may be extended upon the written

agreement of the parties and in conformance with Ind. Code § 5-22-17-4, and as permitted by Ind. Code § 8-23-30.

The Grantee understands that the Grantee must procure materials and/or a contractor for the Project no later than four (4) months from the date of the award letter, attached hereto as **Attachment B** and incorporated fully herein. If the Grantee fails to procure a contractor by four (4) months from the date of the award letter, the Grantee forfeits the Grant, the grant funds shall not be distributed to the Grantee, but shall be redistributed as all other funds under Indiana Code § 8-23-30.

**5. Grant Funding.** Pursuant to Ind. Code § 8-23-30, the Grantee agrees to the following:

- A. It may use the State funds only for the Project described in **Attachment A**;
- B. If it uses the grant funds for any purpose other than construction of the Project as described in **Attachment A**, the Grantee:
  - i. must immediately repay all grant funds provided to the State; and
  - ii. may not participate in the grant program during the succeeding calendar year.
- C. It shall provide local matching funds equal to not less than **50%** of the estimated project cost;
- D. Disbursement of grant funds will not be made until the Grantee's submission of an accepted/awarded Project Material Bid and/or an executed contract with the contractor;
- E. The State's participation in the Project is strictly limited to the grant funds awarded herein. The Grantee understands and agrees that the State is under no obligation to pay for or participate in any cost increases, change orders, cost overruns or additional Project expenses of any kind.

**6. Payment of Claims.**

A. If advance payment of all or a portion of the Grant funds is permitted by statute or regulation, and the State agrees to provide such advance payment, advance payment shall be made only upon submission of a proper claim setting out the intended purposes of those funds. After such funds have been expended, Grantee shall provide State with a reconciliation of those expenditures. Otherwise, all payments shall be made thirty five (35) days in arrears in conformance with State fiscal policies and procedures. As required by IC § 4-13-2-14.8, all payments will be by the direct deposit by electronic funds transfer to the financial institution designated by the Grantee in writing unless a specific waiver has been obtained from the Indiana Auditor of State.

B. Requests for payment will be processed only upon presentation of a Claim Voucher in the form designated by the State. Such Claim Vouchers must be submitted with the budget expenditure report detailing disbursements of local funds.

C. The State may require evidence furnished by the Grantee that substantial progress has been made toward completion of the Project prior to making the payment under this Grant. All payments are subject to the State's determination that the Grantee's performance to date conforms with the Project as approved, notwithstanding any other provision of this Grant Agreement.

D. Pursuant to Ind. Code § 8-23-30, Local Road and Bridge Grant Funds made available to the Grantee by the State will be used to pay the Grantee for up to **50% of the eligible Project costs and not more than \$1 million**. The maximum amount of state funds allocated to the Project is \$ **400,000.00**. The

Grantee understands that maximum amount of Local Road and Bridge Grant funds may not exceed more than \$1 million for all qualifying projects the Grantee may have in a calendar year.

E. Claims must be submitted with accompanying supportive documentation as designated by the State. Claims submitted without supportive documentation will be returned to the Grantee and not processed for payment. Failure to comply with the provisions of this Grant Agreement may result in the denial of a claim for payment.

F. Pursuant to Ind. Code § 8-23-30-3, the Grantee's **50%** match shall be paid from one of the identified revenue sources. The remainder of the Project costs greater than the total of the State's grant and the Grantee's **50%** match shall be borne by the Grantee and may be paid how the Grantee chooses. In the interest of clarity and to avoid misunderstanding, the State shall not pay the Grantee for any costs relating to the Project except as specifically provided herein, unless the Parties enter into an amendment to this Grant Agreement.

**7. Project Monitoring by the State.** The State may conduct on-site or off-site monitoring reviews of the Project during the term of this Grant Agreement and for up to ninety (90) days after it expires or is otherwise terminated. The Grantee shall extend its full cooperation and give full access to the Project site and to relevant documentation to the State or its authorized designees for the purpose of determining, among other things:

- A. whether Project activities are consistent with those set forth in **Attachment A**, the Grant Application, and the terms and conditions of the Grant Agreement;
- B. that Grantee is making timely progress with the Project, and that its project management, financial management and control systems, procurement systems and methods, and overall performance are in conformance with the requirements set forth in this Grant Agreement and are fully and accurately reflected in Project reports submitted to the State.

**8. Compliance with Audit and Reporting Requirements; Maintenance of Records.**

A. The Grantee shall submit to an audit of funds paid through this Grant Agreement and shall make all books, accounting records and other documents available at all reasonable times during the term of this Grant Agreement and for a period of three (3) years after final payment for inspection by the State or its authorized designee. Copies shall be furnished to the State at no cost.

B. If the Grantee is a "subrecipient" of federal grant funds under 2 C.F.R. 200.330, Grantee shall arrange for a financial and compliance audit that complies with 2 C.F.R. 200.500 *et seq.* if required by applicable provisions of 2 C.F.R. 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements).

C. The Grantee shall file the annual financial report required by Ind. Code § 5-11-1-4 in accordance with the State Board of Accounts Uniform Compliance Guidelines for Examination of Entities Receiving Financial Assistance from Governmental Sources. All grant documentation shall be retained and made available to the State Board of Accounts if and when requested.

D. A final audit construction invoice detailing the actual costs of construction and proof of payment to the contractor must be submitted to the State within thirty (30) days of completion of the Project. If for any reason, including overpayment of grant funds to the Grantee, the Grantee is required to repay to the State the sum or sums of state funds paid to the Grantee under the terms of this Grant Agreement, then the Grantee shall repay to the State such sum or sums within forty-five (45) days after receipt of a billing from the State.

Payment for any and all costs incurred by the Grantee which are not eligible for state funding shall be the sole obligation of the Grantee.

E. If for any reason the State finds noncompliance and requires a repayment of state funds previously paid to the Grantee, the Grantee is required to submit such sum or sums within thirty (30) days after receipt of a billing from the State. If the Grantee has not paid the full amount due within sixty (60) calendar days past the due date, the State may proceed in accordance with Ind. Code § 8-14-1-9 to compel the Auditor of the State of Indiana to make a mandatory transfer of funds for the Grantee's allocation of the Motor Vehicle Highway Account to the State's Local Road and Bridge Matching Grant Fund account until the amount due has been repaid.

#### **9. Compliance with Laws.**

A. The Grantee shall comply with all applicable federal, state and local laws, rules, regulations and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. The enactment or modification of any applicable state or federal statute or the promulgation of rules or regulations thereunder after execution of this Grant Agreement shall be reviewed by the State and the Grantee to determine whether the provisions of this Grant Agreement require formal modification.

B. The Grantee and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State as set forth in IC § 4-2-6, *et seq.*, IC § 4-2-7, *et seq.* and the regulations promulgated thereunder. **If the Grantee has knowledge, or would have acquired knowledge with reasonable inquiry, that a state officer, employee, or special state appointee, as those terms are defined in IC 4-2-6-1, has a financial interest in the Grant, the Grantee shall ensure compliance with the disclosure requirements in IC § 4-2-6-10.5 prior to the execution of this Grant Agreement.** If the Grantee is not familiar with these ethical requirements, the Grantee should refer any questions to the Indiana State Ethics Commission, or visit the Inspector General's website at <http://www.in.gov/ig/>. If the Grantee or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this Grant immediately upon notice to the Grantee. In addition, the Grantee may be subject to penalties under IC §§ 4-2-6, 4-2-7, 35-44.1-1-4, and under any other applicable laws.

C. The Grantee certifies by entering into this Grant Agreement that neither it nor its principal(s) is presently in arrears in payment of taxes, permit fees or other statutory, regulatory or judicially required payments to the State. The Grantee agrees that any payments currently due to the State may be withheld from payments due to the Grantee. Additionally, payments may be withheld, delayed, or denied and/or this Grant suspended until the Grantee is current in its payments and has submitted proof of such payment to the State.

D. The Grantee warrants that it has no current, pending or outstanding criminal, civil, or enforcement actions initiated by the State, and agrees that it will immediately notify the State of any such actions. During the term of such actions, the Grantee agrees that the State may suspend funding for the Project. If a valid dispute exists as to the Grantee's liability or guilt in any action initiated by the State or its agencies, and the State decides to suspend funding to the Grantee, the Grantee may submit, in writing, a request for review to the Indiana Department of Administration (IDOA). A determination by IDOA shall be binding on the parties. Any disbursements that the State may delay, withhold, deny, or apply under this section shall not be subject to penalty or interest.

E. The Grantee warrants that the Grantee and any contractors performing work in connection with the Project shall obtain and maintain all required permits, licenses, registrations, and approvals, and shall comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the State. Failure to do so may be deemed a material breach of this Grant Agreement and grounds for immediate termination and denial of grant opportunities with the State.

F. The Grantee affirms that, if it is an entity described in IC Title 23, it is properly registered and owes no outstanding reports to the Indiana Secretary of State.

G. As required by IC § 5-22-3-7:

(1)The Grantee and any principals of the Grantee certify that:

in the previous three hundred sixty-five (365) days, even if IC 24-4.7 is preempted by federal law; and

(B) the Grantee will not violate the terms of IC § 24-4.7 for the duration of this Grant Agreement, even if IC §24-4.7 is preempted by federal law.

(B) will not violate the terms of IC § 24-4.7 for the duration of this Grant Agreement even if IC § 24-4.7 is preempted by federal law.

#### **10. Debarment and Suspension.**

A. The Grantee certifies by entering into this Grant Agreement that it is not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Grant by any federal agency or by any department, agency or political subdivision of the State. The term “principal” for purposes of this Grant Agreement means an officer, director, owner, partner, key employee or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Grantee.

B. The Grantee certifies that it has verified the suspension and debarment status for all subcontractors receiving funds under this Grant Agreement and shall be solely responsible for any recoupments or penalties that might arise from non-compliance. The Grantee shall immediately notify the State if any subcontractor becomes debarred or suspended, and shall, at the State’s request, take all steps required by the State to terminate its contractual relationship with the subcontractor for work to be performed under this Grant Agreement.

**11. Drug-Free Workplace Certification.** As required by Executive Order No. 90-5, April 12, 1990, issued by the Governor of Indiana, the Grantee hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. Grantee will give written notice to the State within ten (10) days after receiving actual notice that the Grantee, or an employee of the Grantee in the State of Indiana, has been convicted of a criminal drug violation occurring in the workplace. False certification or violation of the certification may result in sanctions including, but not limited to, suspension of grant payments, termination of the Grant and/or debarment of grant opportunities with the State of Indiana for up to three (3) years.

In addition to the provisions of the above paragraphs, if the total amount set forth in this Grant Agreement is in excess of \$25,000.00, the Grantee certifies and agrees that it will provide a drug-free workplace by:

- A. Publishing and providing to all of its employees a statement notifying them that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the Grantee's workplace and specifying the actions that will be taken against employees for violations of such prohibition; and
- B. Dear Amanda Balsler:

Thank you for your proposal for immunization funds for the 2020-2021 fiscal year. After careful review, we have identified funds and are able to support your request in the amount of \$55000. We have submitted the request to start the contract with an expected start date of 7/01/2020. We look forward to working with you over this next grant period and know that great things will happen in Tippecanoe County.

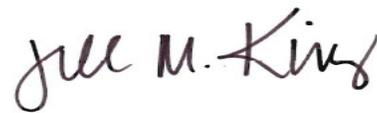

I do apologize for the delay in getting the award notice sent to you. As many of you know, Kevin McCormick, Business Manager, retired as of April 3, 2020. This combined with the redirection of many Immunization Division staff to COVID-only activities, we are working hard to get everything covered for the next grant year. Until a replacement is hired for Kevin, please continue to send all invoices and quarterly reports to our generic invoicing mailbox at [immunizationinvoicing@isdh.in.gov](mailto:immunizationinvoicing@isdh.in.gov).

Thanks again for your proposal and the great work that you do. If you have any questions regarding the review of your application, the dollar being awarded or the terms of the contract, please do not hesitate to contact me or Jill King.
