Notes / Clarifications-

- In the event of our representatives being dispatched to the work site under agreed schedule, are unable to perform the work through no fault of our own (ie: area not ready, etc), additional charges will be applied to compensate for lost time
- Work performed during normal business hours Monday – Friday 7AM to 4pm
- Any devices add by engineer or owner to be negotiated.
- Labor warranted being free from defects in workmanship for twelve (12) months from date of substantial completion.
- **Sales Tax IS** excluded as part of the proposal.
- This quote may be considered firm for a period of thirty (30) days, thereafter subject to review.
