

# Program Impact Snapshot

## January 1, 2020 - December 31, 2020

### Health & Human Sciences Provided:

**Amber Noll Houlihan**  
**County Director**

*anoll@purdue.edu*

84 learner sessions  
*(30 team based)*  
1960 direct contacts  
3572 learner minutes  
31 community partners

**COVID response highlight:** *Co-authored and co-piloted a four-week email challenge for the National Dining with Diabetes Working Group. Worked with Extension Educators from three other Universities (Idaho, Mississippi, and Kansas) and piloted the program to over 600 individuals in 26 states and three countries.*

### Agriculture & Natural Resources Provided:

**Karen Mitchell**

*mitcheka@purdue.edu*

50 learner sessions  
4184 direct contacts  
6905 learner minutes  
20,866 indirect contacts  
*(via recordings & social media)*

**COVID response highlight:**

*Assisted with adapting the Purdue Master Gardener Basic Training into a state-wide virtual program. Co-authored two articles on precautions to take in the garden and at the farmers market during the pandemic - (<http://bit.ly/2020GardenSafety>) (<http://bit.ly/2020FarmersMarketSafety>)*

## 4-H Youth Development Provided:

**Dee Nicley**

*dnicley@purdue.edu*

### COVID response highlight:

*Coordinated a hybrid version of the Tippecanoe County 4-H Fair with the help of numerous volunteers and community members to offer opportunities*

*for youth to participate both virtually and in-person. Planned and coordinated a drive-thru version of our 4-H Trunk or Treat event to promote 4-H to the community with the help of TEMA by handing out information with candy.*

42 learner sessions  
505 direct contacts  
1,552 4-H participants  
1,018 4-H exhibitors  
3791 project entries  
196 adult volunteers  
11,595 virtual fair views

**Jenny Monarch McGuire**

*jmonarch@purdue.edu*

## Community Development Welcomes:

**Katje Armentrout**

*armentro@purdue.edu*

*She grew up in Michigan. She received both her Bachelor of Fine Arts and Master of Arts in Humanities degrees from Central Michigan University. Upon moving to Tippecanoe County, she earned her PhD in American*

*Studies from Purdue University. Katie is joining Purdue Extension in hopes to build relationships with local food producers and consumers, create better public spaces to highlight food resources, as well as establish a greater number of community and public gardens to reduce food insecurity.*
