

Quarterly Project Progress Summary Report, FY 2022 Fourth Quarter

Tippecanoe County

- The Klondike Road project should be closed out by next quarter.
- NOT is in process for the Lindberg Road project.
- Some project milestones for the North Ninth Street Road Bridge project have been moved back, but the letting date has not changed.
- Construction for the River Road at CR 500 N project should be completed by November.
- Both phases of the Morehouse Road project are on track. The Highway Department is working with APC to sort out the funding for each phase.
- The letting for the Yeager Road project has been moved to January.
- The McCutcheon Pedestrian Safety project is on track for a November letting.
- The Bridge #80 and Bridge #83 projects need to be put into the TIP. APC staff will work with County Highway on this.
- The next cycle of the County Bridge Inspection program has started, but there are some delays in the reporting at the state level. This will cause a temporary delay in getting information from the quarterly reports.
- No comments for the Bridge #527, Bridge #64, and Bridge #65 projects

Lafayette

- The ROW phase for the South 9th Street project will move back, but the project should still let in FY 2026.
- No comments for the Park East Boulevard project.

West Lafayette

- Ground will break after Labor Day for the Sagamore Parkway Trail project.
- No comments for the Soldiers Home Road Phase 1 project.
