Ref. No.: 2022-223

Susie Kemp, Local Program Director
INDOT Crawfordsville District
41 West 300 North
Crawfordsville, IN 47933

Dear Ms. Kemp:

By this letter I am administratively modifying the FY 2022-2026 TIP. Through our quarterly tracking, we discovered that the estimated cost to reconstruct West Lafayette's Soldiers Home Road project significantly increased. To do this and use federal funds, the project had to be separated into phases. We requested a termini modification to the existing des number and for three new des numbers. The change was made and new des numbers have been assigned.

This modification changes the project termini for des #1401291 and adds des #2201253 (westbound ramp roundabout) in Table 4. Construction details of these two des numbers, as well as information for des #2201256, phase 2 (reconstruction of the northern section), and des #2201257 (eastbound ramp roundabout) are shown in Table 5.

The document will be updated and then placed on the APC web page: www.tippecanoe.in.gov/APC. We will notify you when this occurs. Please call if you have any questions or need additional information.

Sincerely,

David Hittle
Executive Director
