
**FY 2022-2026 TIP Amendment
Area Plan Commission**

**Staff Report
January 3, 2023**

BACKGROUND AND REQUEST:

Tippecanoe County's Yeager Road project, road reconstruction and realignment, is on track for a INDOT January 19th bid letting. At an estimated cost of \$7.3 million, our annual allocation of Federal funds is not enough to fund the project at the typical 80/20 split. When the FY 2022-2026 TIP was being developed, APC planned to trade \$1,220,000 in federal funds with another MPO. These funds will be repaid in FY 2024. This trade is already accounted for in the TIP. This amendment is needed to program the Federal funds obtained from the trade.

APC reached out to all the Indiana MPOs, and the Northwest Indiana Regional Planning Commission has agreed to the trade. They agreed to swap the amount needed in this fiscal year for the same amount that will be repaid back in FY 2024.

The Technical Transportation Committee reviewed the amendment request at its December 21, 2022, meeting and recommended approval.

RECOMMENDATION:

Staff recommends approval of this amendment to the FY 2022-2026 Transportation Improvement Program by adoption of the attached Resolution T-23-02.

Resolution T-23-02
