**Unified Zoning Ordinance Amendment #109
AGRICULTURAL RENTAL HALL AMENDMENT**

**Staff Report
JANUARY 12, 2022**

BACKGROUND:

The UZO currently allows Agricultural Rental Halls (Party Barns) in the A or AW zone by Special Exception, or in the GB zone by right. They are subject to the public hearing, as well as normal setback guidelines and state reviews for the type of building and engineering. There are no buffering requirements for this use unless it were adjacent to a commercial district. Since 2013, there have been 14 special exceptions filed to allow an Agricultural Rental Hall; nine of those have been approved, and one is being heard this month. Party barns have been regulated to a certain extent through the use of commitments with BZA approval. Some of the petitioners have committed to outdoor noise restrictions, maximum number of guests and hours of operation.

Our office has become aware of concerns from property owners who live near existing or proposed party barns. They have spoken out at several recent BZA hearings, and a few have even requested private meetings with APC staff. At the same time, APC staff has begun to take a closer look at how the petitioners are being impacted by the process, and whether having more guidance in the UZO would be helpful. For example, one party barn owner found they did not have sufficient parking spaces to accommodate their guests' vehicles, and they ended up coming back before the BZA for an amended special exception site plan.

The proposed amendment would change the ratio of parking spaces needed for parking group 30 in Chapter 4-6-3 from 1 per every 4 guests to 1 per every 2.5 guests, plus 1 per every full-time employee. The only other use which is assigned to parking group 30 is "Summer Theatres". There are currently no such uses within the County to be impacted by this change.

The proposed amendment would also add a section to Chapter 4-11 MISCELLANEOUS RESTRICTIONS. The new section would attempt to address the concerns of neighbors, petitioners and staff. The commitments for hours of operation, maximum number of guests and no amplified music outdoors would be added as restrictions. This section would also add a required setback for the primary use building and a bufferyard for the parking area. A petitioner could request a variance from any of these restrictions through the ABZA.

The Ordinance Committee at its December 7th, 2022 meeting recommended approval of this amendment.
