Tippecanoe County Prosecutors Office

I am pleased to inform you that the Indiana Internet Crimes Against Children Task Force, has approved your agency's application in whole or in part for an award from the **FEDERAL-ICAC** funding.

1. Your reimbursement award amount: \$9,000
2. To renew your Magnet Forensic Axiom licenses.

Please note that award requirements include not only award conditions but also compliance with assurances and certifications that relate to conduct during the period of performance for the award. Because these requirements encompass financial, administrative, and programmatic matters, as well as other important matters (e.g. specific restrictions on the use of funds), it is vital that all key staff know the requirements of the award, and receive the award conditions and assurances and certifications.

Acceptance of the award and its conditions will be provided to your agency contact listed on the application letter. The acceptance information will be in the form of a contract with the State of Indiana. All requests for reimbursement should be made once the contract has been executed in full.

Should your agency accept the award and fail to comply with an award requirement, the Indiana ICAC Task Force will pursue appropriate remedies for non-compliance, including termination of the award and/ or a requirement to repay award funds.

We look forward to working with you.

Sincerely,

*Christopher D. Cecil*
