

Public Defender's Office

Amy Hutchison, Chief Public Defender

Request to split one (1) full-time Deputy Public Defender position into two (2) part-time Deputy Public Defender positions.

By doing this, I should be able to hire the staff that I need and avoid the need for additional offices. My budget should have sufficient funds to achieve this goal. With the full time, the County incurs the cost of one health insurance and PERF. With two part-time positions, the County incurs the cost of two health insurance and no PERF.
