
**FY 2022-2026 TIP Amendment
Indiana Department of Transportation**

**Staff Report
March 13, 2023**

BACKGROUND AND REQUEST:

The Area Plan Commission staff requests an amendment to move CityBus’s bus stop improvement project from Appendix 9 to Table 4.

The bus stop improvement project involves improving six bus stops within Greater Lafayette. They are located on SR 38 by Payless, on 22nd Street by Jeff High School, on Fanon Drive by the Monon Place Apartments, on Northwestern Avenue by Evergreen Street, on Yeager Road by Summer Drive, and on Klondike Road between Horizon Street and Pemberly Court. All improvements include constructing a pad, shelter, and other amenities. The stop on SR 38 also includes constructing a sidewalk from the bus stop to the Maple Point Drive intersection.

CityBus was allocated STBG funds to improve the bus stops. In FY 2019, \$290,266 was allocated and in FY 2020, \$104,198 was allocated. APC staff prepared the environmental documentation and FTA approved it on April 16, 2020. Since then, the project was initiated but stalled for various reasons.

In the current FY 2022 TIP, the project is shown for informational purposes in Appendix 9. This appendix first appeared in the FY 2014 TIP because of a recommendation by the Federal Transit Administration (FTA). During the 2011 MPO certification review, the FTA representative suggested showing all the most recent projects in an appendix. If an older project needed to be reactivated, a simple TIP modification could be used.

Following this methodology, a TIP modification was processed on March 2, 2023, to move the bus stop project to the financially constrained table, Table 4. But then on March 13th, INDOT notified APC that the change needed to be processed through an amendment. Now this change is proceeding through the amendment process.

The following table provides detailed information for the project:

*Bus Stop Improvements, (des #1801629)
Six location within Greater Lafayette*

Phase	Year	Federal Funds	Federal	State	Total
CN	2024	STBG	394,464	98,616	493,080

RECOMMENDATION:

Staff recommends approval of this amendment to the Policy Board.
