

# ***Tippecanoe County Rural Transit***

**QUARTERLY REPORT – 1<sup>st</sup> Quarter 2023    Jan - Mar**

***AREA IV Transportation*** – The transportation department has a full time Transportation Manager and is fully staffed from a driver perspective. We have 3 full time drivers and 1 part time driver. We are currently seeking to add an additional part time driver to support the growth our operation continues to see. Our total rides increased by 194% from Q1 of 2022 to Q1 of 2023. Our, 5311 Public Urban Ridership, grew by 567% over the same time period. Rural Tippecanoe has been a focus for us over the last year and our efforts are producing results. We are currently looking to add another part time driver to help keep up with demand.

Our discussions with INDOT to expand our Public Service Area to Benton County is still on hold with INDOT. We hope to continue these discussions in the near future but in the meantime will continue to do our best to provide service those in need in Benton County.
