TUESDAY, July 9, 2019

8:30 a.m.

Tippecanoe Room, Tippecanoe County Office Building
20 N 3rd Street, Lafayette, Indiana

Councilmembers present: President Bryan Metzger, Vice President Kevin Underwood, John Basham, Kathy Vernon, Ilana Stonebraker. Lisa Dullum and Roland Winger were absent.

Others present: Attorney Doug Masson, Auditor Robert A. Plantenga, and Recording Secretary John Thomas.

I. Pledge of Allegiance – President Metzger called the meeting to order and lead the Pledge of Allegiance.

II. Auditor's Financial – Bob Plantenga

The 2019 financial statement shows a General Fund beginning cash balance of \$10,224,887.37. The projected miscellaneous revenue, property taxes and deductions for circuit breakers leaves the total funds available of \$58,639,082.37. After deducting encumbrances, the 2019 Budget and minimum balances established by Council the beginning net balance is \$1,876,533.37. So far this year \$100,543 of additional appropriations have been granted, with \$8,457 of reductions leaving \$1,784,447.37 available for appropriations. Today there are \$65,000 in additional appropriations requested.

The Revenue Report shows the completed Settlement in June with the Property Taxes (fund 0100) now at \$14,443,903. The 2019 Budget of \$25 million can be slightly exceeded but cannot go above the \$26.8 million certified tax levy. The percent of total taxes collected (57%) are a little above the what would be expected for this time of the year (50%). The Intergovernmental income is a little low for this time of the year and the Licenses and Permits are a little above (51.3%) with the Total General Fund Revenue at 56.2%

With the spring settlement distributing over \$19 million the fund balances are now: 1) the General Fund (1000) of \$12.6 million, Cumulative Bridge (1135) is over 2.6 million, Cumulative Capital (1138) is over \$1.7 million, Major Bridge (1171) is over \$2 million, Reassessment is over \$280,000, the jail lease debt service (4620) is over \$684,000. The County Self Insurance (fund 4710) receipts again are in excess of disbursements.

III. Treasurer's Report – Jennifer Weston

The Account Balances and Interest Rates report was distributed and shows an account balance of over \$116 million with total interest in June of \$280,311.24. Interest rate trends are as expected because those funds receiving settlement disbursements have higher balances and interest now. The year is 50% complete and 65.9% of the interest has been collected based on the original forecasted budget.

IV. Public Comment on Agenda Items – None

V. Resolution 2019-16-CL – Repayment of Tax Savings When Deductions for Certain Personal Property is Terminated

- Councilmember Stonebraker moved to hear the Resolution, second by Councilmember Basham.

Attorney Masson stated that these are proposed claw back provisions that would accompany future tax abatements that were discussed at last month's meeting. The proposal is similar to others used in the community.
