XIII. PUBLIC COMMENT

-Michael Morrison (902 S 11th St.) addressed the Commissioners on two questions. 1) The County Health Department’s additional restrictions on bars and restaurants with the arrival of Purdue students, and 2) Governor Holcomb’s ongoing emergency declaration and Executive orders. His major concern was how COVID-19 and the restrictions in place are affecting the small businesses in Tippecanoe County and possibly putting them out of business. He also asked the Commissioners to communicate to the Health Department on behalf of business owners and employees regarding the new restrictions and ask for them to be rescinded. He then asked the Commissioners to join the Attorney General’s call for Governor Holcomb to bring the General Assembly into Special Session to deal with the ongoing COVID situation.

President Brown asked Mr. Morrison to email him all his referenced sources to review so that he can review and discuss it with Dr. Adler.

Commissioner Byers moved to adjourn. President Brown adjourned the meeting.
