

**EXEMPTION STATEMENT
FOR
BUILDING SITES DISTURBING LESS THAN 1/2
ACRE**

Building Sites disturbing less than 1/2 acre of land and outside of a Subdivision are exempt from a formal Stormwater Review. To figure the total area to be disturbed the following items should be taken into consideration.

- | | |
|----------------------|------------------------------------|
| 1. The building site | 5. Driveways |
| 2. Garage | 6. Grading and Filling |
| 3. All outbuildings | 7. Landscaping |
| 4. Pools | 8. ANY earth disturbing activities |

(Length x Width = sq. feet) (sq.feet Divided by 43,560 = acres)

Disturbing more than one-half acre of land will result in fines and a formal review process by the County Surveyor.

I State that :

At the following Building Site _____ AND
Key Number _____ there will be less than 1/2 acre of
land being disturbed during the construction of this project.
