

# FREE COVID-19 TESTING

LAFAYETTE

## Who should be tested?

- If you have symptoms of COVID-19, come get tested

## Even if you don't have symptoms but you are:

- At high risk because you are over age 65, have diabetes, obesity, high blood pressure or another underlying condition
- A member of a minority population that's at greater risk
- Pregnant
- A close contact of confirmed COVID-19 positive patients when the contact lives with a member of an at-risk population or it is imperative that the contact continues to work

**Where?** 3600 S. 9th St., Lafayette, IN 47905 **When?** M-F, 8am-8pm

**Who pays?** Hoosiers will not be charged for testing. If you have health coverage (including Medicare/Medicaid), please bring that information with you.

**Why?** To help keep you, your family, and your community safe.

**What happens?** Healthcare professionals will share information just for you and your family – fully **CONFIDENTIAL**.
