CERTIFICATION

RE: Z-2477-- TIPPECANOE DEVELOPMENT, LLC (A to R1B):

Petitioner is requesting rezoning of a 1.21 acre piece of land located 1500' east of County Farm Road (CR 50 W), ½ mile north of CR 500 N, to allow the land to be included in Section 6, Winding Creek Subdivision, Tippecanoe 30 (SE) 24-4.

Dear Commissioners:

As Secretary to the Area Plan Commission of Tippecanoe County, I do hereby certify that at a public hearing held on December 21, 2011 the Area Plan Commission of Tippecanoe County voted 14 yes - 0 no on the motion to rezone the subject real estate from A to R1B. Therefore, the Area Plan Commission of Tippecanoe County recommends to the Tippecanoe County Commissioners that the proposed rezoning ordinance be APPROVED for the property described in the attachment.

Public Notice has been given that this petition will be heard before the Tippecanoe County Commissioners at their January 3, 2012 regular meeting. Petitioners or their representatives must appear to present their case.

Sincerely,

Sallie Dell Fahey

Executive Director

CERTIFICATION

RE: Z-2476--ABDUL-KADER SANKARI, ISLAMIC SOCIETY OF GREATER LAFAYETTE (A to R1):

Petitioner is requesting rezoning of a 10 acre tract located at the southwest corner of County Farm Road (CR 50 W) and CR 500 N, Wabash 31 (NW) 24-4.

Dear Commissioners:

As Secretary to the Area Plan Commission of Tippecanoe County, I do hereby certify that at a public hearing held on December 21, 2011 the Area Plan Commission of Tippecanoe County voted 13 yes - 1 no on the motion to rezone the subject real estate from A to R1. Therefore, the Area Plan Commission of Tippecanoe County recommends to the Tippecanoe County Commissioners that the proposed rezoning ordinance be APPROVED for the property described in the attachment.

Public Notice has been given that this petition will be heard before the Tippecanoe County Commissioner at their Tuesday, January 3, 2012 regular meeting. Petitioners or their representatives must appear to present their case.

Sincerely,

Sallie Dell Fahey
Executive Director

Petitioner Abdul-Kadar Sankari requested rezoning from A to R1 of a 10 acre tract located at the southwest corner of County Farm Road (CR 50 W) and CR 500 N. The purpose of the rezoning request is for the development of a community center for the Islamic Society.

Tippecanoe County resident Mary P. Hall spoke against the rezoning request, indicating she was frightened by the December 23, 2011 Journal and Courier newspaper article regarding the Area Plan Commission vote of 13-1 to approve rezoning property for the Islamic Society. Ms. Hall felt the approval put citizens in harm's way.

Tippecanoe County resident Tom Fackelman, representing Hawthorne Ridge subdivision as the neighborhood association president, spoke in opposition to the rezoning request. Hawthorne Ridge includes 27 homes and is located west and south of the 10 acre tract. Mr. Fackelman voiced concerns of the residents of the subdivision as noise and light pollution, loss of property values, and loss of the country feel. Drainage run-off was a concern and changing from green space to a parking lot and building will increase the problem. The long range plans of the Islamic Society to include a community center, elementary school, gymnasium, a soccer field, and a mosque would overpower the surroundings and his neighborhood.

Tippecanoe County resident Joyce N. Davis expressed her concern that the gentlemen from the Islamic Society did not participate in the Pledge of Allegiance.

Ibrahim Aly, a PHD Purdue student from Egypt and a member of the Islamic Society, stated many professionals from Purdue, including doctors and professors play a very important role in West Lafayette. He addressed the issue presented by Ms. Davis. Members are visiting area schools, teaching about Islam to eliminate the negative misconception. They have a good relation with members of the Christian Society.

Dr. Imad Kadra, a West Lafayette resident and physician stated he has been a practicing physician for 28 years. His children were born in Tippecanoe County, went to Harrison High School and Purdue University. He has been an American Citizen for 30 years, respects the community, and considers himself and family as citizens of this country.

Petitioner Abdul-Kadar Sankara clarified a mosque is not needed at this time as the current one satisfies needs for daily prayers. The current mosque does not suit their needs for dinners, parking, and school classrooms. A soccer field or a location for outdoor activities will leave open land on the site. He estimates building $\frac{1}{4}$ of what has been built for the St. Andrew church indicating the scale should not be an issue. They plan to be sensitive to light pollution, drainage, and sound to not change the character of the neighborhood. Preliminary ideas are available, but no site plan. The money will be raised locally and the Islamic Society will not be borrowing funds. Proceeding with the process will depend on timing and requirements of the County and engineers.

Area Plan Executive Director Sallie Fahey stated the issue of light or sound pollution was not addressed at the Area Plan Commission because there were no site plans available. The issue before the Plan

Commission is if the 10 acres is more appropriate for Agriculture or R1 zoning. Once zoning is approved, a special exception would be required, applying with the same site plan used for a building permit. The need for the special exception is due to the use as a community center and the potential concern to neighboring properties.

President Murtaugh asked for any additional comments in favor of or opposing the rezone. There were none.

Auditor Weston called the roll:

- Councilmember Knochel moved to approve the 2012 Sheriff contract; second by Councilmember Byers; motion passed.

CLERK – Christa Coffey

Storage Rental Agreement

Clerk Christa Coffey presented a third addendum to the Storage Rental Agreement. The storage facility is a space to store court records. Boxes need removed from every court with last year's records. The microfilming of juvenile records currently in process will free up space. Digital imaging and electronic records fall under the Supreme Court, State Court Administration Division rules. The acceptance of electronic records as permanent records is not being discussed. Record storage is a problem for every county in the state of Indiana. The Federal Courts have been electronic filing for a while.

Commissioner Knochel agreed that record storage is a horrendous problem and suggested it is time to begin thinking about building a storage facility to house records. The facility could possibly have the maintenance department located there also. Property is available if funds are located to put up a building.

Clerk Coffey said records need to be retained at a certain standard with controlled temperature and humidity. Little leaves the Clerk's office or courthouse without being scanned, providing a backup copy, if records are destroyed. Records must be in paper form or microfilm to meet current standards.

- Commissioner Knochel moved to approve the Storage Rental Agreement, second by Commissioner Byers; motion passed.

GRANTS – Laurie Wilson

Permission to Accept

Grant Coordinator Laurie Wilson requested permission to accept a grant for Cary Home in the amount of \$36,400 from the Indiana Criminal Justice Institute. The grant is for the Juvenile Detention Alternative Initiative project.

- Commissioner Knochel moved to approve the grant acceptance, second by Commissioner Byers; motion passed.

Coordinator Wilson requested permission to accept a grant for the Health Department in the amount of \$5,000 from the National Association of County & City Health Officials (NACCHO). The grant will be used for the Medical Reserve Corps (MRC) travel and training.

- Commissioner Knochel moved to approve the grant acceptance, second by Commissioner Byers; motion passed.

Coordinator Wilson requested permission to accept a grant for Superior Court 3 in the amount of \$3,901 from the Indiana Judicial Center. The amount is additional funding for the 2010-2011 Court Improvement Program. The program is for mediation which reduces court time.

- Commissioner Knochel moved to approve the grant acceptance, second by Commissioner Byers; motion passed.

WILDCAT CREEK SOLID WASTE

Attorney Dave Luhman stated the Commissioners adopted Resolution 2011-50-CM on November 21, 2011 to dissolve the Wildcat Creek Solid Waste Management District (WCSWMD). In order for the dissolution to be effective, identical resolutions are required to be adopted on two different dates. The dissolution would be effective according to the statute when both resolutions are delivered to the Clinton County Commissioners. The resolution was assigned 2012-05-CM for adoption.

West Lafayette resident Karen Griggs spoke in opposition of dissolving the WCSWMD. She indicated the district should be kept intact as it will cost more money to have two separate districts to handle solid waste.

Tippecanoe County resident Paul Wright commented he disagreed with Ms. Griggs. As presented, it appears to be cheaper, more efficient and available to the public a greater number of hours. Mr. Wright urged the Commissioners to divest Clinton County and “manage ourselves”.

President Murtaugh stated Tippecanoe County Commissioners have had several discussions with Clinton County officials throughout this process. They understand why there is a need to move forward and appreciate the past relationship. Mr. Murtaugh disagreed with Ms. Griggs stating the process may not be cheaper, but will not cost more, and will provide additional services of six days a week versus the current one day a week.

- Commissioner Knochel moved to approve Resolution 2012-05-CM, second by Commissioner Byers; motion passed.

Attorney Luhman indicated a time frame needs established to deliver the Resolutions to Clinton County to become effective. Both County attorneys need time to establish a plan of dissolution for respective responsibilities. Mr. Luhman stated delivery prior to March 1, the assessment date and suggested a time frame between February 14 and March 1.

- Commissioner Knochel moved to approve delivery of the Resolutions to Clinton County by President Murtaugh between February 14 and March 1, second by Commissioner Byers; motion passed.

APPOINTMENTS TO COMMON WAGE BOARD

- Commissioner Knochel moved to approve the appointments of Jean Hall and Frank Cederquist as representatives for Purdue University at the January 12, 2012 meeting, second by Commissioner Byers; motion passed.
