Change Order #6, Engineering Services from The Schneider Corporation for the South River Road Project

Assistant Executive Director Mike Spencer stated that this would most likely be the last change before the County allows for bids. This is an increase of \$253,644 and does have significant changes, such as going to two construction seasons instead of one. The County will be giving the utility companies this construction season to allow them to move their existing utilities out of the current right-of-way and into the new right-of-way. There are also several agreements with landowners on fence relocations and driveway modifications. Inspection and construction fees are also included in the change order.

- Commissioner Byers moved to approve Change Order #6 for engineering services with The Schneider Corporation on the South River Road project, second by Commissioner Murtaugh; motion carried.

Permit to Close a Road, Keep Stockwell Beautiful Parade, August 21, 2010

Assistant Executive Director Mike Spencer presented a request for a street closure in the town of Stockwell. This is for the Keep Stockwell Beautiful parade. The Sheriff's Department will be doing the traffic control. Linda Eastman said the parade would be between 3:00 p.m. and 4:30 p.m. and there would be about 10 units in the parade.

- Commissioner Murtaugh moved to approve the application for a Permit to Close a Road as presented, second by Commissioner Byers; motion carried.
