REVISIONS TO COMPUTER USAGE AND SECURITY POLICY

MITS Director Diane Hawkins requested approval of the Computer Usage and Security Policy. Revisions were presented at the last commissioner's meeting and since then the Department Heads have had the opportunity to make changes. Director Hawkins reported there was a question regarding the purchase of large computer equipment. The statement reads, "To ensure these items are best suited for the desired task and compatible with the counties computing environment, all purchases should be handled by MITS. The MITS Board may be involved with larger purchases." She noted purchases over \$75,000 are normally funded by the CCD or EDIT Funds which ultimately involves the commissioners. Commissioner Benson stated the MITS Board should be involved if policy issues or interdepartmental issues arise. The MITS Department and the Commissioners should be involved in all computer purchases.

It was also suggested the Laptop Usage Policy paragraph be amended to state, "Do not leave a laptop in a vehicle unattended, always lock your car when leaving a laptop in a vehicle, or secure the laptop in the locked truck of the vehicle. *Failure to do so is negligence.*"

- Commissioner Benson moved to approve the revisions to the Computer Usage and Security Policy as stated, second by Commissioner Shedd; motion carried.

BUILDING COMMISSION – Ken Brown**Public Hearing: Unsafe Structure**

Building Inspector Ken Brown provided an update regarding the unsafe structure located at 5717 N. 9th Street owned by Helen Johnson. As of today, no changes have been made since the last commissioner's meeting. The owner contends she is unable to pay for demolition or removal of debris from the property.

Attorney Luhman suggested the commissioners order removal of debris from the property within two weeks.

Commissioner Shedd called for public comment on the unsafe structure.
