COUNTY OFFICE BUILDING – TIPPECANOE ROOM
TUESDAY, DECEMBER 13, 2016
8:30 A.M.**

The Tippecanoe County Council met Tuesday, December 13, 2016 in the Tippecanoe Room of the County Office Building at 8:30 a.m. Council member present were President David R Williams, Vice President John Basham, Kevin Underwood, Kathy Vernon, Bryan Metzger, Vicki Burch, and Roland Winger. Others present were Auditor Robert A. Plantenga, Attorney Doug Masson, and Recording Secretary Caitlin Thomas.

Pledge of Allegiance

President Williams called the meeting to order and led the pledge of allegiance.

President Williams recognized the new Councilmember, Vicki Burch, and thanked former Councilmember Sally Siegrist for her service.

Auditor's Financial Report

Auditor Plantenga reported on the November Financial Statement stating the beginning Cash Balance in the General Fund was \$9,145,040.42. With the 2016 Miscellaneous Revenue and Property Tax, with the deduction for circuit breakers, the Total Available was \$41,110,444.42. Deducting the Encumbrances, the 2016 Budget, the Minimum Balance, the beginning balance was \$517,912.42. Additional Appropriations amounting to \$524,187.00 have been approved this year. With the requirements for state approval of general fund appropriations, we do not have any additional appropriation requests for December. We have budget reductions this year in the amount of \$60,416.00 and the Miscellaneous Expenditures of \$12,028.06; the Total currently available is \$52,913.36. The COIT Fund began with a Cash Balance of \$2,262,873.18. Adding the COIT Revenue and deducting the Encumbrances, the Beginning Net Balance was \$360,171.18. With \$40,136 of COIT appropriations this year, the current balance available is \$320,035.18.

Auditor explained we are finishing up on settlement and will hopefully be getting the state approval today. We are 55.5% of property taxes through the first half of the year and estimating to exceed the budget. We cannot exceed the levee, but levee is higher than property tax estimate was because we took out the circuit breaker. License excise number is for the first half of the year and expecting close to the same number for the second half of the year.

The General Fund balance has a balance of \$-836,810.07, but will be over ten million once property taxes are applied. Fund 2000 (Probation User Fees) is getting pretty low, but will try to build on it in 2017. Fund 2580 and 2581 (Court Services Funds) have balances of \$18,000 and \$57,000. Jury pay in Fund 2584 has a lower balance than in the past. Self-insurance fund 4710 has a balance of almost \$1.5 million. Auditor Plantenga noted the council had spoken about some positions that had seen pay reductions this year. He spoke with DOJF and they advised not to do any additional appropriations in 2016 for 2017, but wait till 2017. Council meeting will be before the first payroll so we would be able to get those positions back up to the rate of pay they were at previously.

2017 County Council Assignments & Appointments

- President Williams stated assignments will take place next month and the councilmembers should let them know if they want to be moved around.

Commissioner FYI

President Byers let the council know that Katharine Greer, a long time county employee, passed away. This Friday, CASA is hosting a lunch in the Tippecanoe Room. On the 20th, the department head luncheon will be taking place at 11:30 a.m.

Project 111 is almost completed and estimated everything will be moved in around the middle of January. The courthouse project continues to progress, but will probably have to stop exterior renovations soon due to weather. A contract was signed with Green Case for a feasibility study on the fairgrounds project. President Byers gave each councilmember a copy of the report. Justin Armstrong from Green Case also worked on the state fairgrounds renovations. He asked the council to relay any questions or suggestions to him.
