Auditor Plantenga continued, discussing the Revenue through 6/30/16. \$12,480,035.85 of Property Taxes was credited to the General Fund which is 55% of the budget for the year. Another account that Property Taxes generates is 0130 License Excise at almost \$1 million; higher than anticipated. Line 0299, Examination of Records, is from the State Board of Accounts completing an audit for a County entity. The bill comes to us and is paid out of County General. When the next settlement is completed, the amount is deducted from the entity. At the end of the General Fund Revenue list, he pointed out 52.7% of the budgeted money has been collected at half way through the year. The COIT Fund is at 47.8%; only 95% of what is received each month is distributed until the end of the year when the COIT Homestead money is known.

Discussing the Fund Balances, Auditor Plantenga said the General Fund balance on June 30 was \$9,873,970.71. Compared to June 30, 2015; the balance was approximately \$8.5 million. Referencing Fund 2580 and 2581 - Court Services, he stated good progress has been made with \$20,429.11 in Fund 2580 - Substance Abuse and \$35,827.07 in Fund 2581 - Violence in Community. Last month Council approved moving money to the Rainy Day Fund. The claim was approved at the July 1 Commissioners' meeting and is not reflected in the balance of Fund 2581; currently the balance is approximately \$20,000.

Referencing Fund 4710 – County Self Insurance, Auditor Plantenga said the balance is close to the \$500,000 minimum at \$489,683.42. At the beginning of 2016, the balance was -\$382,000. Claims for June were less than \$400,000 compared to June of 2015 when claims averaged approximately \$870,000 per month.

Referencing Fund 7315 – LOIT 2016 Special Distribution, he said it is the 25% of the special distribution received from the State. 75% was required to go to road funding; 25% can be for any other use. One option would be to put the money into the Rainy Day Fund. The Commissioners discussed using the money to pay off the parking garage which is about \$2 million and would occur in December. Another option is to use the funds for the jail lease or to pay for a new Sheriff Deputy. He asked Council to consider what they want to do with the money.

On the Interest Summary, Treasurer Weston referenced the General Fund with interest for June of \$42,625.20, giving us a total of \$224,443.22 for the first six months. With 50% of the year lapsed and the revised budget from January of \$370,900, the General Fund is at 60.5%. Looking at the next six months and if the pace continues, another revised budget of \$447,000 is likely. One of the things contributing to the increase is several of the Bonds have been called. When they are called, we get more for our money. Treasurer Weston turns those around as quickly as possible.

COMMITTEE REPORTS - none

UNFINISHED/NEW BUSINESS

Overtime Review - Superior Court VI

Councilmember Winger stated Judge Morrissey sent an email explaining his court is high volume and they got way behind during the conversion to Odyssey. The conversion itself put them behind but also the reporting the Clerk's Office normally assists with was shifted back to his court. A contract employee who is retired from Carroll County and familiar with Odyssey has been hired temporarily to help get through the backlog and get caught up. The Clerk's office is working with Judge Morrissey's staff to share the load the best way possible.

Auditor Plantenga said based on the amount of hours the Superior Court VI staff was working and since Judge Morrissey only had \$500 in the overtime budget, over \$4,000 was transferred from full time to overtime; that has been paid. Judge Morrissey will need an additional appropriation to put the money back. The request is scheduled for next month.

2017 Budget Calendar – Evening (public) Meeting

Auditor Plantenga said his office is in the process of getting the budget requests finalized. He plans to mail or email it to Council members before the August meeting. Council historically has an evening meeting to get public input. The statute changed to "may" and the only one to be approved is the library since there is not an elected board. He asked if they want to have the meeting and if so, what time. Monday, September 26 at 6:30 p.m. was suggested but conflicted with the AIC Conference. Monday, October 3 at 6:30 was selected. The budget hearings will begin following the September 13 Council meeting and continue the next one to two days until completion.
