Chief Probation Officer Hullinger requested approval of moving money that was appropriated for a full time staff member. The appropriation was originally for Andrea, the Administrative Assistant in Court Services who recently moved to Superior Court 5. The money is still available and he would like to use it to fund a part time position at the maximum rate of \$12.50 per hour. Court Services was downsized to two full time Assessors and one Administrative Assistant who managed the traffic, phone, and scheduling. With one of the Assessors on vacation or in court, it leaves one person to handle everything. Judge Persin said he considered posting Andrea's job but doesn't see it as a long time position since Court Services will be reconstructed in the future. Auditor Plantenga said once approved, his department will move the funds from full time to part time. Since it is within the same series and not regular part time, approval of Council or Commissioners is not needed.

If they did not respond or it's a department he needed to handle, an "A" will be listed in the budget book. A Revenue Committee meeting has not been held for two or three years.
