Township Trustee Assessors

Auditor Weston recommended reinstating salaries and budgets for Jackson Township Trustee and Sheffield Township Trustee for the Elected Official and the Chief Deputy. These townships will be performing Personal Property assessing duties and should be compensated. She proposed Tippecanoe Township remain unchanged from the budget set at budget hearings, as Tippecanoe Township Trustee, Bill Jones, sent a letter to the county confirming his choice to relinquish these duties to the County Assessor. It was decided to set the compensation in accordance with a Trustee/Assessor as performing Personal Property duties since the compensation for an elected official cannot be changed for the year it is fixed; however, the budget could be set low. If the Trustee/Assessor decides to perform Personal Property duties, he could seek an additional appropriation.

Reassessment

County Assessor Samantha Steele reported that the Reassessment budget was reduced as well as divided between all townships assessors. The Sales Disclosure Fund was also reduced and divided between township assessors. She estimates tax collections will be on time in 2008.

Revised budgets of the assessors as requested by the council.
